PROJECTS AND HAPPINESS

•

Our parish has enjoyed many blessings during the past year. St. Daniel's built its Memorial Amphitheatre and moved into the "big time" class in the matter of public meetings and high class entertainments. Trinity revamped its Lutheran Hall and made ready for large banquets and indoor entertainment. Both these projects were undertaken without attacking the money each congregation had set aside in Government securities. Both these projects were accomplished by a large amount of volunteer labor. Those who participated got a real joy out of their accomplishment and now we need this summer to build on last year's foundation. Both Churches need to complete the grounds surrounding these projects and make them more usable and beautiful. All this can be accomplished by volunteer labor and a very small amount of money. These projects pull our people together and now we want to complete what has been so well begun and, to use military language, consolidate our positions.

The parish made great strides forward but it needs now to turn its attention to Evangelism.

To do this we must not think in terms of "putting on" a campaign of Evangelism, but the Evangelistic spirit must pervade every effort in our Church and its auxiliaries.

It is not a great task to find the non-church going people but to bring them into the Sunday School and Church is an effort. It is just as simple as this: "Everybody brings his or her neighbor."

In order that these outsiders will want to come in the first place or stay when they are brought, it is very essential that we maintain the greatest harmony, that we speak well of each other and that we enthusiastically promote and support every effort of the Church. Petty jealousies and backbiting are the devil's best monkey-wrenches to undo the machinery of the Church.

Therefore let us make 1946 what it ought to be for our parish by: (1) Enthusiastic promotion of every cause, (2) Giving freely of our time in volunteer effort, (3) Looking forward to new possibilities, (4) Getting rid of all "smallness," (5) Making effort to make our service men feel at home and giving them responsible jobs, (6) Building up our Building Funds for future development.

MINUTES OF JANUARY, 1946, PARISH MEETING

The annual meeting of the Robesonia Lutheran Parish was called to order by its President, The Rev. E. L. Leisey, in Trinity Lutheran social hall.

After prayer by Rev. Leisey the Secretary read the minutes of the 1945 meeting which were accepted and approved.

The Treasurer reported receipts of \$605.07 for the year 1945, and expenses amounting to \$578.57, leaving a balance of \$26.50 as of January, 1946. This report was accepted as presented by Jacob Coleman.

The election of officers for 1946 was conducted with the following being elected without opposition: Vice-President, Mr. Robert Koch; Secretary, Warren Davis; Treasurer, Herbert Weidman.

Several items of improvement for the parish house were discussed and referred to the Property Committee for action as they see fit. Among them were the need for new wallpaper for a room and window shades for the entire house. By a motion of John Bricker, and properly passed, it was authorized that Clarence Sprecher should supply the needed shades for an approximate cost of \$25.00.

The Property Committee for 1946, as appointed by Rev. Leisey, was Paul Engle, Robert Keppley, Gilbert Keppley and Richard Eckert.

The Auditing Committee as appointed was Herbert Weidman and Elias Manbeck.

A motion by Warren F. Davis and seconded by John Bricker was passed to assess each Church \$150.00 for the support of the parish for 1946. These amounts to be turned over to the parish treasurer.

The possibility of a joint program of some sort was discussed and various opinions were declared. A motion was passed to have such a program and a committee was appointed to sponsor the affair: E. Lincoln Murdough, chairman; Warren Davis, Robert Keppley and LeRoy Werner.

A discussion of events for 1946 led to the announcement of two full-year calendars of events, and programs were already prepared by the respective Churches, and would be published in the Parish Record. This would be a guide to all future or additional programs that might be contemplated by any group.

The delegate for the Reading Conference meeting and the synodical conference was left to Pastor Leisey's recommendation because there was no volunteer to accept the invitation.

The Auditing Committee found the account of the Treasurer true and correct and was discharged of its duty with thanks.

Pastor Leisey paid tribute to the retiring Councilmen and welcomed the newly-elected officers. He expressed his gratitude for the fine spirit of cooperation of all parties concerned since the birth of the parish. His plea to the organization was to keep that spirit and continue to work for the welfare of the Church.

There being no more business, the meeting was adjourned, and a buffet lunch was served by Mrs. Leisey for the Councilmen and their wives who were special guests.

Those attending were: Rev. and Mrs. E. L. Leisey, Mr. and Mrs. Robert Koch, Mr. Lloyd Minnich, Mr. and Mrs. LeRoy Stump, Mr. and Mrs. John Bennethum, Mr. and Mrs. LeRoy Werner, Mr. and Mrs. Warren Davis, Mr. Paul Engle, Mr. and Mrs. Harvey Long, Mr. and Mrs. Richard Eckert, Mr. Robert Keppley, Mr. and Mrs. J. Respectfully submitted,

We draw several conclusions —

- (1) St. Daniel's high for two and Trinity high two others.
- (2) General decline during war years.
- (3) Trinity has the greatest percentage of very young men in the Service and still going while St. Daniel's has a larger group already discharged.
- (4) 1946 should show a definite upward trend.

ST. DANIEL'S TEACHING AGENCY

The members of our school of religion in the year 1945 have come to the full realization that we have not outlived our usefulness, neither have we reached the zenith of our power and that it is still necessary to carry on in the name of Jesus Christ. We have been convinced that we need not wait for the post-war world, that we are already living in it now. For this day we gave ourselves to dreaming and planning as we thought of the Church and know that we are her greatest agency in the three main fundamentals, **first**—we are primarily the teaching agency in order to carry out the plan of the Master by means of being the dispenser of the eternal **truth**; **second**,—we are a weekly school of religion, not to waste that precious hour each week but to use every second to teach the Word in season and out of season; and **third**—we are an open field for Evangelism which challenges Christian Leadership to sow the seed of the Word of God in the fields before us and be always awake and search every field for Pearls.

In the past year we attained the highest success in every phase of our task in our twenty-five years of existence. The following are but a few of the most important:

The Teaching Staff proved to be the best, proved by the comments from members and the result, that they promoted members to not only hear but do the work which fulfilled their talents given to them. For the first time in the history of our Church the Church Council was consisted of almost 100% membership in the school.

Relative to statistics our average attendance of 214 is very outstanding. The enrollment as of January 1, 1946, was 309, an increase from January 1, 1945, which was 277. On August 12, the Primary and Junior Department had an attendance of 113 and the Main Department 112 which shows that the leaders in the Primary Department are following the command of the Master to gather all Children.

All Social, Fellowship, Entertainment and all other activities were the best in our history both in the accomplishment of the specific occasion and also financially. We were fortunate in realizing thousands of visitors on several occasions which was never before thought of.

Our Literature has been the highest type and together with the Christian Growth Series it has given us a series that provided a systematic graded presentation of the Bible and Catechism and continually guided pupils in being good Christians now, tomorrow and always. Also it tried to meet the actual teaching situation in our school as it exists today and attempted to stimulate the educational leaders to a higher level of consecration and efficiency.

Financially we had receipts of \$4,210.03 and expenses of \$3,563.06 with a balance of \$646.97 at the end of the year. This means that receipts from all sources were higher than any previous year.

The Ingathering offerings were \$619.50 on January 14, and \$370.00 on July 1, 1945, which after added to the Building Fund gave us at the end of the year a total of \$4,644.25 invested in Government Bonds with a matured value of \$6,275.00 and leaving a balance of \$2.57 in the fund.

The most important event not only in 1945 but since our origin was our 25th anniversary celebrated with numerous services and programs from June 28 and July 29, which will always be the highlight in the history of our Church, in that we took part in a memorial to perpetuate the memory of those who do not return from World War II and the gifts of gratitude on account of those who do return, which are in the thought of many parents and friends in these days.

We have finally reached our goal in becoming the most friendly and closely related labours in God's Vineyard with our sister organization of Trinity of Robeson by sponsoring our first combined service, and most outstanding of all, and also the first time in our history we have experienced the closest cooperation with the Church Council of our Church in all our services, programs and work.

In closing, may we again thank the Pastor, Church Council and members of the Church for their most willing and helpful cooperation throughout the year 1945 to which we contribute the major portion of credit for our most successful year.

Your School of Religious
Education.

CALVIN E. BROWN,
Superintendent.

PRIMARY DEPARTMENT REPORT

The Primary Department enjoyed a very busy year in 1945. Beginning the year with an enrollment of 116 we tried to be "doers of the word and not hearers only" in practicing Evangelism. Although 22 Juniors were promoted to the main school on promotion day we still had an enrollment of 115 at the end of the year.

The entire department showed commendable interest and cooperation in preparing 602 scrapbooks during the Lenten Season. Pastor Hempel, Superintendent of Inner Mission, received these books for the sick boys and girls.

On May 13 we observed the festival of the Christian Home. All the children honored their parents by presenting to them a flower plant. The containers for these plants were made by the children and teachers.

Children's Day was observed a bit differently this year. The entire department attended Church service and heard an inspiring address for children given by our Pastor.

For the future, \$350.00 was placed in the Building Fund. We can see in the near future, an addition to our present building which will enable us to do more than ever before in the great work of bringing in the unchurched.

Respectfully submitted,
MRS. CARL B. HIMMELBERGER,
Supt. of the Primary Dept.

RECREATION ASSOCIATION
REPORT

We have completed an eventful year in recreation at St. Daniel's. Although our outdoor program was at a virtual standstill due to the importance of completing the Amphitheatre, we are again in full stride with our weekly meetings. New games are being enjoyed, chief of these being pool, played in the basement. Friday is Recreation Night and everybody is invited.

Last summer the Association purchased additional land from Oliver Moll. This field has already been used for parking during our big outdoor programs in 1945. This year we hope to grade our field and have a softball diamond ready for summer. Parking space will also be increased. In less than a year \$800.00 was raised and with a loan of \$200.00 from the Sunday School, the field was paid in full.

For this year, in addition to two suppers, we are planning an outdoor entertainment. Our attraction will probably be the Pottstown Band. As for recreation, we forecast a volleyball league and also an independent volleyball team playing visiting teams. An outdoor program for all will be attempted. With your help it will be a success.

CARL B. HIMMELBERGER,
President.

REPORT OF CUB PACK—1946

The Robesonia Cub Pack No. 1 has at the end of the year 1945 a membership of 26 boys. The governing body includes three Den Mothers, only one of whom is a member of the sponsoring institution, Mrs. Vernon Bright, the other two Den Mothers are Mrs. John Lightner and Mrs. E. Lincoln Murdough.

The committee consists of Raymond Kalbach, Roy Stump, Willis Fegg and Lawrence Eckert as Cubmaster.

Activities for the year included handicraft chiefly, much of which

can be seen at the monthly Pack meetings. The boys during the past year have enjoyed a trip to "Roadside America," the miniature village near Hamburg; a trip to the Museum at West Reading, a field meet with Wernersville Cub Pack, a Hallowe'en party and Xmas party.

During the year the committee purchased lumber and other material for the boys costing \$10.88, leaving a balance of \$19.75, as of January 1, 1946.

In the past year 4 Cubs passed into scouting.

Our Troop enjoyed a very successful camping season that included a District Camporee at Brown's Grove, five overnight hikes and three weeks at Camp Hopewell for a total of 602 boy camping days.

This year we again met all our requirements and the boys are proud to wear the Red Star and boast that we again rank with the best troop in the county.

Scouts Merritt Freeman and John Ravert are serving in the U. S. Army, and we are happy to see that our Assistant Scoutmasters Harold Huber, Robert Huber and William Ravert are back with us again after having served in the Armed Forces of our country.

JUNIOR CHOIR REPORT ST. DANIEL'S

The Junior Choir ended another year with a faithful attendance record. At present there are 29 children in the Choir. Due to the large number the Church Council has asked all parents to cooperate in the transportation problem, to and from rehearsals. This past month it has worked out very splendidly, and we want to thank all those who have made this work out so successfully. We hope that the parents will all take an active interest in this project.

During the last few years the Choir mothers and leader have sold hankies for the benefit of the Building Fund. Up to date the Choir has turned over to the fund \$290.00. This project has now been discontinued due to the insaleability of the article.

We hope in the next year to be able to give the congregation the same quality of song as we have in the past, and if possible we hope to better it in the future.
